

Remember the heads of churches promoting the poison and mask wearing for the sheep with know judgment; they promoted the LIE over the AIR-WAYS. Where are they NOW?

They sold mask for a lie  
with their faces and logos  
on it in their churches for  
monies. The LIE used the  
churches to push the  
bullshit out of fear and  
know judgment. Them  
churches that promoted  
the vaccine and sold mask  
for a LIE, your doctrine is  
before you.....You  
are a money grifter, you

steal their monies you are  
Serpent-seed your father  
is the LIE.

Remember Franklin Graham  
pushing mask and the covid  
poison, where are they  
now? Fred Price dies of

covid when his ministries pushed the mask and the shot, now he is dead from the shot. Franklin Graham, the Pope, and all 501c organizations that claim to be a bout GOD are all wrong-again Christians. There is know-way you are BORN-AGAIN believing bullshit, you are wrong-again. Also those so-called

truth tellers that did not  
take the poison; why parrot  
what the un-repentant says?  
Remember what the media  
was saying about people  
that did not take the  
poison: Like Piers Morgan  
he divided the people into  
groups. Now he backtrack  
what he said about the un-  
poisoned because he says  
the "facts change", what a

load of bullshit. What do fact checkers say about that? The Pfizer puppet said even more stupid shit, she said, "the speed of science".

If you have not figured out you are in INIQUITY, and must repent of all LIES to be born-again, you have not studied the doctrine of JESUS with the SPIRIT-

OF-TRUTH. You have  
KNOW FAITH in the  
MOST HIGH. Will they  
repent of the lie or  
continue to get a pay check  
for the lie?

We will not forget all you  
lie-believing-buffoons that  
pushed the deaf jab on the  
weak to keep their jobs or  
to travel with KNOW  
JUDGMENT, meaning know

informed consent. Start  
repenting NOW before we  
find you.

If we don't find you first  
the DOCTRINE-KILLER  
will find you last, that will  
not be a good thing for the  
UN-REPENTED.
